

## Instructions for Calling Features

Feature	Codes	Instructions
Number Blocking	*67	Press star (*) 67 each time you dial a number to keep it from appearing on others' caller ID displays. The feature will automatically reset once you hang up.
Disable Call Waiting	*70	Press star (*) 70 to disable call waiting for the duration of any call.
Call Forwarding	*72	Press star (*) 72 and wait for the dial tone and enter the number where you would like your calls to be forwarded. You will hear a busy signal if the number is not valid. Repeat the above procedure within two minutes of the first attempt if the feature was not activated.
Cancel Call Forwarding	*73	Press star (*) 73 to cancel call forwarding. Note: Charges generated by calls forwarded to numbers not included in the customer's Digital Phone plan will be the customer's responsibility. Minutes used during calls forwarded to cell phones will be charged against the customer's wireless plan.
3-way calling	flash button or switch hook	On an existing call, press the Flash button or switch hook. This places the first party on hold. Upon hearing the recall dial tone (three tones and then the dial tone), dial the telephone number of the third party. Press the Flash button or switch hook again, and all three parties will be included on the call.
Anonymous Call Reject	*77	Press star (*) 77 to activate and wait for confirmation tone. Unidentified callers, including those labeled as "Anonymous" or "Unavailable," will be blocked. Those callers will hear a message asking them to hang up, release their caller ID number and then dial again. To disable this feature press (*) 87.
Store Speed Dial Number	*74	Press star (*) 74, listen for the stuttering dial tone and press a digit between 2 and 9. Enter the 7 or 10 digit number that you would like to store in speed dial, (dial 1 first when applicable).
Dial Saved Speed Dial	2-9	To speed dial your chosen number, press your selected digit between 2 and 9 - then press pound (#).
Dial Directory Assistance Offered at an extra charge and will appear on your statement.	411	Dial 411 from your home phone.
International Calls Competitive rates available for an extra charge.	011	For International Calls, dial 011 + country code + city code + local number.
